# Membership in Manufacturers Alliance

Join the nonprofit whose members span the most successful global manufacturers.

With a network of leaders at mid-to large cap companies to share business knowledge and expertise, along with two membership levels – Council and Network – we give manufacturers a 24/7 platform for success.

As a member, you'll get:

- Connections with your peers and other leaders
- Timely, topic-based virtual discussions
- Online community
- Quick polls to benchmark with peers
- Conferences and webinars, some offering CPE credits
- Access to research and business insights
