THE BASICS OF PCN: FOUR-PART WEBINAR SERIES

A graphic for a webinar series. The background is a dark, industrial scene with smokestacks and a sunset sky. Overlaid on this is a network diagram with several circular nodes connected by lines. The nodes contain icons: a robotic arm, a factory, a padlock, a cloud with a server, and a gear. In the top left corner, the text 'Manufacturers ALLIANCE' is displayed, with 'ALLIANCE' in green. At the bottom, there is a dark blue banner with white text.
